Special Olympics Ireland is a sports organisation for people with an intellectual disability from the age of 4 years old.

Intellectual disability means a significantly reduced ability to understand new or complex information and to learn and apply new skills (impaired intelligence). This results in a reduced ability to cope independently (impaired social functioning), and begins before adulthood, typically before the age of 18, with a lasting effect on development.

14 CONCERNS AND COMPLAINTS

14.1 Volunteers are encouraged to speak to the staff member that they are working with on an activity/event or project, i.e. their SOI contact person, when they feel unsure about anything they are asked to undertake.

14.2 If any volunteer has a complaint, it should be addressed initially by the SOI contact person.

14.3 If the matter is not resolved to the volunteer's satisfaction, they may raise the matter to the relevant Regional or Department Director, who will try to resolve at this informal stage. You can contact us via our feedback form on our website, in writing or by telephone.

14.4 Our process encourages resolution through informal means. However, if you remain dissatisfied, and having completed the steps above (145.2 & 145.3), you may submit a formal complaint in writing, briefly describing what your complaint is about stating relevant dates and times, if applicable.

We ask that this complaint is submitted using the Special Olympics Ireland's Complaint Form which will be sent directly to you.

14.5 If a complaint is made against a volunteer then, after investigation, the volunteer has the right to be informed of the nature of such a complaint. A senior member of staff will take appropriate action.

I have read and understood the above provisions, and by signing I agree to adhere to them. I consent to the processing of my personal data for the purposes of my volunteering with SOI.
